

EXTENSIONS OF REMARKS

A TRIBUTE TO VAN HARDEN AND BONNIE LUCAS

HON. TOM LATHAM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. LATHAM. Mr. Speaker, I rise today to recognize Van Harden and Bonnie Lucas of the "Van and Bonnie in the Morning" radio show. Van and Bonnie are Iowa radio icons and broadcast their show daily on the legendary Newsradio 1040 WHO. Van and Bonnie are winners of multiple coveted Marconi Awards from the National Association of Broadcasters, including their most recent, which is why I stand before you today. I am honored to announce that Van and Bonnie have been declared the winners of the 2011 "Personality of the Year Award" among medium-sized market radio stations by the Marconi Radio Award Selection Academy.

What makes this award so exciting for Van and Bonnie, and for Iowa, is that it exemplifies the rewards of hard work from humble beginnings. Van Harden was raised in Adel, Iowa, where he developed his passion for the intimate Iowa communities that make our state so great. Van knew he wanted to turn his passion into a career by promoting and informing Iowans on the radio. His dream became a reality after graduating from Drake University in 1973, where he majored in broadcast journalism and got his first on-air job with KDLS-AM in Perry, Iowa. After jobs in Tulsa, Oklahoma at KWEN-FM and KRNT-AM in Des Moines, he became the host of the morning program at 1040 WHO-AM in Des Moines in 1986.

Similarly, Van's co-host, Bonnie Lucas of Monroe, Iowa, has been with the WHO morning program for 17 years. Bonnie's first job in radio began in 1979 at KRNT, where she was a former co-worker of Van's. In the seven and a half years Bonnie spent at KRNT, she worked in the traffic department, served as secretary to the General Manager, worked as the Assistant Sales Manager and finally went into sales for KRNT. After Bonnie started her own small fitness center business and worked for a communications company, she tried out for Van's co-host position in August 1994 and has been with the award-winning program ever since.

Van and Bonnie's commitment to Iowa is virtually unparalleled as they are up every morning by 3:30 a.m. to be on the air by 4:59 a.m. They have made a name for themselves as the most listened to morning show in the state and bolstered an already esteemed radio station with their enthusiasm, knowledge, creativity, and family-friendly humor. They do an exceptional job of utilizing WHO's 50,000 watts to connect with each Iowan who tunes in and leave their listeners with a smile as the day begins.

Van and Bonnie have provided years of sunshine to our state's early risers, and I am honored to recognize the most recent affirma-

tion of their stellar broadcasts. I congratulate Van, Bonnie, their correspondent Mark Allen, and all of their coworkers as they continue to wake up Iowa with a smile.

RECOGNITION OF THE 100TH ANNIVERSARY OF THE REPUBLIC OF CHINA'S NATIONAL DAY

HON. DAN BOREN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 20, 2011

Mr. BOREN. Mr. Speaker, I rise today and ask my colleagues to join me in recognizing an important day for the Republic of China (ROC), National Day, also known as "Double Ten Day". On October 10, 1911, the Qing Dynasty collapsed as a result of the Wuchang Uprising and ushered in the beginning of representative government in China. This year, Double Ten Day holds special significance as the Republic of China marks its 100th birthday. This will be a day of great celebration and thanksgiving throughout the country, and I call on my colleagues to join me in offering congratulations and good wishes to President Ma Ying-jeou and the people of Taiwan.

It was under the leadership of Dr. Sun Yat-sen that over two thousand years of dynasties were brought to an end. The past century has seen tremendous growth and development for the Republic of China on Taiwan. It has developed a dynamic democratic system of government, spurred steady economic growth, and encouraged the flourishing of the arts and sciences with an emphasis on free and open dialogue and debate.

Under the leadership of President Ma, Taiwan has continued to strengthen its economy through extensive foreign trade. The United States recently welcomed another Taiwanese agricultural trade mission, which offers the promise of strong export market for our farmers and a steady supply of food supply for the citizens of Taiwan. President Ma has also helped ease tensions with mainland China through economic agreements which have led to benefits for all.

Because of this, I stand today with the people of Taiwan as they celebrate the 100th anniversary of the founding of the Republic of China. May their commitment to freedom and democracy continue to flourish in the decades and centuries to come.

Mr. KUCINICH. Mr. Speaker, I rise today in honor and memory of David John Donafée, upon the official naming of the Midpark Post Office, the David J. Donafée Building, and in recognition of his service to our community.

Mr. Donafée had longstanding ties within the Cleveland community. The youngest of four siblings, he was born on April 29, 1965, and raised in Brook Park, Ohio. Mr. Donafée's legacy in the Greater Cleveland community, and with his colleagues at the postal service, is that of a genial and positive spirit. In addition to his fourteen years of service to the community through the U.S. Postal service, he was well-known in the local hockey community for his support of and involvement in his children's youth hockey league.

David Donafée was the kind of employee that anyone would have wanted to have as a colleague. He was always on the lookout for ways to help his customers. In the office, he was conscientious and willing to go above and beyond to help fellow employees. With customers and coworkers alike, he was always courteous. He was dedicated to family and friends.
